

AGNESH

JHA Senior UI/UX Designer | Visual Designer
2014 - Till Date

I'm a Senior UI/UX and Visual Designer at MyOperator and Heyo, with 10+ years of experience designing clean, user-friendly websites, landing pages, and digital assets.

I specialize in tools like Figma, Adobe Creative Suite, and Framer, and love turning ideas into clean, functional designs. My work is rooted in user research and has consistently helped improve engagement and conversions.
