Summary

With over 10 years of experience at MyOperator and Heyo, I specialize in designing website landing pages, investor and sales decks, marketing collateral, social media creatives, and more.

Skilled in Figma, Adobe XD, Illustrator, Photoshop, Framer, and ChatGPT, I help brands create stunning, high-performing digital products that delight users and drive results.

Work Experience

2024–2025 – Lead UI Visual Design (Till Date)

Leading UI Visual Design across multiple products and platforms.

Responsible for user research, wireframes, prototypes, and final UI delivery.

Mentoring a team of designers and aligning UX decisions with business goals.

Collaborating cross-functionally with developers, product managers, and marketers.

2020 – Assistant Manager (Design)

Took on a leadership role managing design teams.

Oversaw website revamps, product UI enhancements, and performance-based creatives.

Worked closely with marketing to integrate Facebook Paid Ad designs

2018 – Senior Web Designer

Promoted to Senior Web Designer.

Led website design projects with focus on responsive and user-friendly layouts.

Started exploring UX principles and wireframing.

2014 – Graphic Designer

Joined the company as a Graphic Designer.

Worked on visual designs, branding materials, and digital creatives
Started exploring UX principles and wireframing.

Built a strong foundation in design principles and tools like Photoshop & Illustrator.
